

**Wellesley-MIT Teacher Education
Teaching Program Plan (grades 5-8 or 8-12 or 5-12)**

Your plan for your middle or high school teacher licensure program needs to be worked out in consultation with the designated advisor in the appropriate subject matter department (English Department, Chemistry Department, etc.) and with Ken Hawes in the Education Department or Eric Klopfer at MIT. Please read the requirements for your program, prepare a draft, and then make an appointment with your subject matter advisor and with Ken or Eric. Once your plan has been approved, leave the form with Ken or Eric after making a copy for yourself.

If you would like an electronic copy of this form to work from, please email Ken at khawes@wellesley.edu

Program to teach this subject and grade level:

Your Major:

- I. **Subject Matter Requirements.** List all courses that enable you to fulfill the subject matter knowledge for your program that you have taken or will take, and any additional study on your own that you need. You may wish to consult the MTEL test objectives for your teaching field and the relevant Massachusetts Curriculum Framework to help you understand more fully the subject matter requirements for your program. Add any necessary additional comments to explain how you fulfill the subject matter requirements. (Attach an additional sheet if you like.)

Semester/Year

Course Number and Name

II. Education Courses and pre-practicum field work. (50 hours minimum required)

<u>Course</u>	<u>Semester/Year</u>	<u>Field Placement</u>
---------------	----------------------	------------------------

III. Any additional field work independent of courses.
